A Message to Parents of Young Potential Sailors

For a second year, the Manitoba Sailing Association - in collaboration with the Precambrian Sailing Club - will be bringing its Mobile Sailing School to our area to instruct aspiring young sailors (8-14 years) Monday through Thursday July 6-9, 2009. The School is open to Flin Flon, Creighton and Denare Beach residents.

The School will be based at the main beach at Denare Beach. MSA will bring in 10 kid-friendly 'Vanguard Pram' sail-boats, and two instructors. The maximum number of students will be 20 (though we can accommodate additional young sailors if they are able to bring along their own Pram-type boats). There will be two three-hour sessions per day. The morning session (9:00am-noon) will be for students with no prior sailing experience. The afternoon session (1:00-4:00pm) will be for students with some sailing background - for example, those who took the basic course last year.

On the final day of the School, students will compete in the 'Norman Regional Championships'. We hope that Sailing School students from other northern communities (York Landing and Sherridon), will be able to join us for this prestigious event!

Note that last year, we had a full roster of 20 students - together with several disappointed applicants we were not able to accommodate. If you plan to register your child/children for the Sailing School, please let us know as soon as possible - you will need to fill out the forms attached, and make a payment (cheques payable to 'Precambrian Sailing Club') of \$60.00 per child. Your Precambrian Sailing Club contact persons are:
